ABOUT MOE'S.

Moe's was founded by Moe Samieian Sr. in Vancouver, BC in 1986. Moe's first began as a retailer of fine rugs and furniture. In 1999, Moe's opened its wholesale operation based in San Francisco and by the early 2000's, both Sara Samieian and Moe Samieian Jr joined their father to work for Moe's Home Collection.

Operating three retail stores in the Pacific North West – our 50,000 sq. foot flagship store is in Downtown Vancouver, BC. The Wholesale division is now based in Seattle, WA. In addition, we exhibit in 4 Major USA shows (High Point, Las Vegas, Dallas and Atlanta).

MATERIALS.

Moe's uses a variety of materials from solid and reclaimed wood, to quality veneers and metals. Solid woods include American walnut, oak, elm, pine, acacia and teak; all wood is kiln-dried to minimize cracking. Reclaimed woods are more prone to minor cracking, which is part of their nature and adds to the charm of each piece.
