C O L L E C T I O N

The essence of the Villa Valencia Collection can be found in the traditional architecture and dramatic natural settings of the villages abutting the crystalline waters of the Spanish coastline. The vibrant and romantic lifestyle of Old World Spain has been beautifully captured in this grand collection.

# CHARMING

Superbly crafted from birch solids with cherry, pecan and elm burl veneers, the distinctive marquetry and intricate embellishments complement a classic chestnut finish. Uniquely twisted and shaped marble pilasters adorn select pieces. The wood furniture is crowned with a lighted alabaster-like encasement, providing a soothing and ambient glow.

Villa Valencia features great attention to detail, as seen on the dramatically carved wood chair, turned arms and hand-carved feet, completely finished with small antiqued brass nail heads.
