Construction Features: In selecting materials for the Samana Cove collection, designers and engineers at Broyhill design products that use a combination of selected hardwood and softwood solids, bamboo, birch and other hardwood veneers and wood and/or simulated wood products. Certain parts, simulated wood carvings and/or other decorative embellishments may be made of simulated wood components.

Product availability and specifications are subject to change without notice. At best, finish photography is a representation of the actual finish and cannot reproduce the depth, clarity and beauty of the actual furniture.
