## PRODUCT TIPS

- Series C is ideal for managers, supervisors, private offices and professional home offices.
- Modular construction allows users to choose only what they need and add on over time.
- Series C can be used to create workstations that fit almost any requirements for size, shape or work style
- Series C is a top quality commercial product:
  - Work surfaces offer superior durability against scratches and stains.
  - 1" thick top surfaces resist sagging.
  - Sturdy fully extending drawer slides and adjustable door hinges provide years of trouble-free use.
  - Meets or exceeds ANSI/BIFMA standards for product performance/safety.
- Take advantage of free Space Planning ensures that the product purchased will fit correctly in the space.
- Backed by manufacturer's 10-year warranty.
