

Craftsmanship

Intrigue is crafted with radiata solids and richly grained grey elm veneers, artistically placed in sunburst and "V" matched patterns. The tops of cases and dining tables are bordered by a softly contrasting maple stringer inlay. The warm "Cola" finish showcases the rich grain character of the elm veneer.

Dining Room

Occasional

Intrigue is defined by its sophisticated transformation of traditional design elements into a soft transitional collection, highlighted by bronzed metal, textured linen, supple leather and sleek stone. Sweeping shapes, dramatic veneers, exquisite details and a signature marquise shaped motif communicate fresh attitude and create an up-to-the-minute appeal. Intrigue's crisp, uncluttered lines combined with traditional touches reveal a look with order, function, versatility and a natural grace.
